

# Farmers' Markets

## Louisville

**Fresh Stop Markets** (purple dots) are "pop up" farm-fresh food markets set up at local churches and community centers in fresh food insecure neighborhoods. Local, seasonal produce and sometimes farm fresh brown eggs.

Fresh Stop Markets are typically open every other week. For locations, dates and times, visit [newroots.org/fresh-stop-markets](http://newroots.org/fresh-stop-markets)
